The Post Office Ski Resort Report was compiled using prices for 26 resorts in Europe and North America, provided by Crystal Ski Holidays (www.crystalski.co.uk), the UK's leading ski holiday specialist. Costs are based on mid-season pricing and entry level skis and boots. Ski school daily hours vary depending on the resort. Lunch prices are based on two courses (main course and dessert) excluding drinks. All prices are based on the Post Office exchange rates in late September 2016.
