Early Termination Charge (ETC) – Post Office HomePhone® and Post Office HomePhone® with Broadband

When you sign up to Post Office HomePhone® or Post Office HomePhone® with Broadband, a Minimum Term will apply to your Agreement which will normally be 12 months or 18 months depending upon the package you have subscribed to. Please see our Terms & Conditions available at postoffice.co.uk/broadband-phone-terms to know the Minimum Term applicable for your Agreement. If you cancel your Service within this Minimum Term you will have to pay an Early Termination Charge (for exceptions where this charge may be waived please see our Terms & Conditions). Please call our Customer Care Line on **0345 600 3210**[^] if you want to know what Early Termination Charge is applicable to you. We will also write to you advising you of the charges applicable for terminating the Agreement early. If you cancel your Service after the Minimum Term applicable to your Agreement has elapsed no Early Termination Charge will be payable.

[^]Calls to our Customer Care Line on 0345 600 3210 are free of charge at all times from an active Post Office HomePhone® line. The amount you're charged depends on the remaining term of your Agreement and the package you have subscribed to.

The table below shows how much you're charged for each month remaining on the Minimum Term applicable to your existing Agreement:

Action	Current Package	Monthly Early Termination Charge (for packages without Line Rental Saver)	Monthly Early Termination Charge (for packages with Line Rental Saver)
Cancellation of Service whilst still in Minimum Term applicable to your Agreement	Post Office HomePhone®	£7.20	£0.00
	Post Office HomePhone® with Broadband Essential	£11.20	£4.00
	Post Office HomePhone® with Broadband Premium	£13.60	£6.40

Please note that we calculate your Early Termination Charge based on the number of months and days remaining in the Minimum Term applicable to your Agreement after the effective date of termination of your Service. Please see few examples below which explains this:

Example A

If you are a Post Office HomePhone® with Broadband Premium customer (without Line Rental Saver) on a 18 months Minimum Term applicable to your Agreement that commences on 1st April 2016 and the Service is terminated on 15th January 2017, you would be required to pay £115.96.

Here's how we arrived at this figure of £115.96 :

From the table above the **monthly** Early Termination Charge applicable for Post Office HomePhone® with Broadband Premium (without Line Rental Saver) is £13.60.

Accordingly, the Early Termination Charge (ETC) for Post Office HomePhone® with Broadband Premium for the period 16th January 2017 to 30th September 2017 will be calculated as shown below:

1. The Early Termination Charge applicable for the period **16th January 2017 to 31st January 2017** = $(£13.60 / 30.4^{\wedge}) \times 16 \text{ days} = £7.16$

[^]Where 30.4 is the average number of days in a month used by Post Office® for the calculation of Early Termination Charge purpose.

2. The Early Termination Charge applicable for the period **1st February 2017 to 30th September 2017** = $£13.60 \times 8 \text{ months} = £108.80$

TOTAL amount of Early Termination Charge applicable for the period **16th January 2017 to 30th September 2017** (adding the amount from 1 and 2 above) = $£7.16 + £108.80 = £115.96$

Example B

If you are a Post Office HomePhone® with Broadband Premium customer (with Line Rental Saver) on a 18 months Minimum Term applicable to your Agreement that commences on 1st April 2016 and the Service is terminated on 15th January 2017, you would be required to pay £97.77. In this case the 12 months Line Rental Saver that commences from 1st April 2016 will expire on 31st March 2017.

Here's how we arrived at this figure of £97.77 :

From the table above if you have Line Rental Saver then the value of the **monthly** Early Termination Charge applicable for Post Office HomePhone® with Broadband Premium will be £6.40. This amount will be applicable from the date of termination of your Service until Line Rental Saver expiry date.

After the Line Rental Saver expiry date the monthly Early Termination Charge amount applicable for Post Office HomePhone® with Broadband Premium until the end of Minimum Term will be £13.60.

Accordingly, the Early Termination Charge (ETC) for Post Office HomePhone® with Broadband Premium for the period 16th January 2017 to 30th September 2017 will be calculated as shown below:

1. The Early Termination Charge applicable for the period **16th January 2017 to 31st January 2017** = $(£6.40 / 30.4^{\wedge}) \times 16 \text{ days} = £3.37$

[^]Where 30.4 is the average number of days in a month used by Post Office® for the calculation of Early Termination Charge purpose.

2. The Early Termination Charge applicable for the period **1st February 2017 to 31st March 2017** (i.e. until the expiry of the current Line Rental Saver in the given example) = $£6.40 \times 2 \text{ months} = £12.80$

3. The Early Termination Charge applicable for the period **1st April 2017 to 30th September 2017** (ie after the expiry of the current Line Rental Saver date and until the end of the Minimum Term applicable to your Agreement) = $£13.60 \times 6 \text{ months} = £81.60$

TOTAL amount of Early Termination Charge applicable for the period **16th January 2017 to 30th September 2017** (adding the amount from 1, 2 and 3 above) = £3.37 + £12.80 + £81.60 = £97.77

Note :

1. The Early Termination Charge will apply when you cancel your Service (whilst you are still in Minimum Term applicable to your Agreement) for any of the reasons below:

- You have asked us to cancel the Service
- We have received notification from other Service Provider that they want to take over your line
- You are moving home and do not want to take the Service with you
- Change of responsibility to a new owner (excluding Change of responsibility to spouse in which case no Early Termination Charge will apply)

- We have terminated your Service due to abuse of Service by you where you are in breach of your Agreement or your non-payment of a bill.

2. The new line provide cancellation charge may also apply if the Service is cancelled within 6 months of new line provision as explained previously in this guide.

3. We do not refund any part of Line Rental Saver paid in advance by you.

	Post Office HomePhone [®] with Broadband Premium	Post Office HomePhone [®]	£6.40
	Post Office HomePhone [®] with Broadband Premium	Post Office HomePhone [®] with Broadband Essential	£6.40

Note - The same downgrade charge will apply regardless of whether you have taken 12 months Line Rental Saver or if you pay monthly line rental for your existing Post Office HomePhone[®] Service.

Example - If you are a Post Office HomePhone[®] with Broadband Premium customer on a 18 months Minimum Term applicable to your Agreement that commences on 1st April 2016 and following your request the Service is downgraded to Post Office HomePhone[®] only on 15th January 2017, you would be required to pay £54.57.

Here's how we arrived at this figure:

From the table above the **monthly** downgrade fee applicable for Post Office HomePhone[®] with Broadband Premium is £6.40

Accordingly, the fee for downgrading from Post Office HomePhone[®] with Broadband Premium to Post Office HomePhone[®] only for the period 16th January 2017 to 30th September 2017 will be calculated as shown below:

1. The downgrade fee applicable for the period **16th January 2017 to 31st January 2017** = $(£6.40 / 30.4^{\wedge}) \times 16 \text{ days} = £3.37$

[^]Where 30.4 is the average number of days in a month used by Post Office[®] for the calculation of downgrade fee purpose.

2. The downgrade fee applicable for the period **1st February 2017 to 30th September 2017** = £6.40 x 8 months = £51.20

TOTAL amount of downgrade fee applicable for the period **16th January 2017 to 30th September 2017** (adding the amount from 1 and 2 above) = £3.37 + £51.20 = £54.57
