How to fill in each section of your application form

What are your old and new addresses?
To check that postcodes are correct you can visit our website at reyalmail.com/find-a-postcode
Contact details
- Please make sure your contact details are correct as we may need to contact you about your application.
- If we cannot deliver an item to the new address we will return it to the sender with the new address on it. This means that we cannot guarantee that the new address will remain confidential.

Confirming your Redirection
We will send you a letter to confirm details of your Redirection. The letter will be sent to your old address if you apply close to your move date. If you want your new address removed from the letter, please mark the box on the application form with an ‘X’.
- To help prevent fraudulent applications, we also send a security letter to the old address. This will be addressed to the occupier, to make them aware that a Redirection has been taken out from the address. It will show all the names of people listed on the form, but it will not show your new address.

Whose mail needs to be Redirected?
You (the applicant)
- You (the applicant) must be at least 18 years old to apply to redirect mail.
- As well as redirecting your own mail you can also apply for the mail of other people at your old address to be redirected to your new address, but only if (1) they have expressly consented to this; or (2) they are under 16 years of age and you are their parent or guardian.
- If there is not enough room on the application form please attach another form with the additional names.
When completing number of individuals in section 2, please include these names.
- If you, or anyone else named on the form are known by different or variations of your first name and/or last name (including double-barrelled last names), please list them.
- If you mark the box with ‘X’, we will redirect mail for all persons at your old address who have the same last name(s).

Whole household move
- If you mark the box with ‘X’, we will redirect mail for all persons at your old address who have the same last name(s).
- If you do not mark the box with ‘X’, we will only redirect mail for the name(s) listed.
Address Update Service
At no extra cost, we may share the information provided on this form, including the address, email and telephone details of everyone whose mail is being redirected and is at least 16 years old, on to organisations that already have contact details for those people so they can update their records and keep in touch. This may also help to prevent fraud and reduce waste. If you, or anyone else whose mail is being redirected, do not want us to do this, please mark an ‘X’ in the relevant box on the form.

Important information and helping you fill in the form
For your security
- All mail diverted through the Redirection service will be clearly labelled as ‘Redirected’. This will help you identify which individuals or companies still need to be updated with your new address.
- Importantly, using our service will help to protect you against the real risk of ID theft if your important mail were to fall into the wrong hands.
- For your security we will not set up a Redirection unless we are satisfied as to your identity and authority to make an application.
- It is a criminal offence to redirect mail without proper authority.

Redirected mail
- We need at least 5 working days to set up or renew your Redirection.
- You can redirect Royal Mail Special Delivery Guaranteed and Royal Mail Signed For Deliveries within the UK (delivery may take longer outside the UK).
- We cannot redirect mail from multi-occupancy addresses such as nursing homes, hostels, hotels or halls of residence. This is due to the high number of people living at the addresses with one communal letter box/reception.
- We can only redirect Royal Mail deliveries and will not be responsible for the delivery service provided by other postal operators.
