# Introduction to ISAs

ISA stands for Individual Savings Account. ISAs were introduced by the Government to give people a tax-efficient way to save for the future.

Each Tax Year (that's the 6th April – 5th April) the government set the allowance – the amount of new money – you can save into an ISA that year. This can be saved into one type of ISA or split across multiple types of ISA. If you don't use all the annual allowance, it can't be carried over to the next Tax Year.

For an up to date list of ISAs available please visit

**<https://www.gov.uk/individual-savings-accounts/overview>**.

Your savings will stay tax-efficient as long as you keep the money in your ISA accounts.

You don't have to keep existing ISAs with the same provider. You can transfer existing ISAs to a new provider without affecting your ISA allowance. Not all ISAs accept transfers so you need to check first before applying.

## Cash ISAs

As long as you're over 16 years old, a UK resident and you haven't already paid into a cash ISA this tax year, you can save into a variable rate where the rate can go up or down over the life of the ISA or a fixed rate where the rate is guaranteed to stay the same for a fixed period of time.

Some Cash ISAs may offer instant access to your money while others may have limits on withdrawals.

## What Cash ISAs do Post Office offer?

- **Premier Cash ISA** – a variable rate Cash ISA

# Which of our cash ISAs is right for you?

Post Office Money Fixed Rate and Premier Cash ISAs are provided by OneFamily. Savings in Post Office Money Cash ISAs are deposited with Bank of Ireland UK.

	<b>Fixed Rate Cash ISA</b>
<b>Interest Rate</b>	A tax-free* fixed interest rate for a 1, 2 or 3 year fixed term – you can find the terms currently available and interest rates in-branch, online or by phone and make sure you've picked up the <b>Summary Box Leaflet</b> which includes important information you should also read.
<b>Interest Calculation</b>	Interest is calculated daily. During the fixed rate term, interest is paid annually on the anniversary of the account opening. After the end of the fixed rate term, the interest is paid annually in March.
<b>Deposit</b>	Open with a single deposit from £500. The maximum contribution for the 2018/19 tax year is £20,000 – subject to contributions in to any other type of ISA. You can't make any additional deposits, so, if your deposit is less than the maximum you are allowed to pay in, you will lose the rest of your cash ISA allowance for the tax year.
<b>Transfers</b>	You can transfer in an ISA held with another provider (minimum £500). Before making a decision to transfer your ISA to us, you should check if your current provider will charge a fee.
<b>Withdrawals</b>	Withdrawals are not permitted during the fixed rate term. If you need to access your money during the fixed rate term, you will need to transfer to another ISA provider or close your account.
<b>Closing your ISA</b>	If you close your ISA, your money will not benefit from the tax advantages of ISAs in the future. Early closure or transfer is subject to a Breakage Charge – if the interest you've earned doesn't cover this, you may get back less than you put in.
<b>Managing your ISA</b>	You can manage your savings by phone or post.

\*Tax-free means the interest paid will be free of UK Income Tax and Capital Gains Tax.

	<b>Premier Cash ISA</b>
<b>Interest Rate</b>	A tax-free* variable interest rate. A fixed bonus rate may also be available for the first 12 months, after this the rate will revert to the underlying variable rate. Find out our current rates, and details of any bonus, in-branch, online or by phone and make sure you've picked up the <b>Summary Box leaflet</b> which includes important information you should also read.
<b>Interest Calculation</b>	Interest is calculated daily paid annually in March.
<b>Deposit</b>	You can open with a minimum deposit of £100 and make additional deposits throughout the year up to the maximum personal ISA allowance of £20,000 for the 2018/19 tax year – subject to contributions in any other type of ISA.
<b>Transfers</b>	You can transfer in ISAs held with other providers (minimum £100 when transfer is being used to open the ISA). Before making a decision to transfer your ISA to us, you should check if your current provider will charge a fee.
<b>Withdrawals</b>	You can make up to two withdrawals each tax year - any more and you'll need to transfer to another ISA or close your account. The minimum withdrawal amount is £10, or the value of the ISA if it is lower. The Premier Cash ISA does not have flexible features. This means that once withdrawn, your money will lose the tax advantages of ISAs and cannot be replaced within your Premier Cash ISA without affecting your annual ISA allowance. If you have already used your full allowance in a tax year, you will not be able to make further deposits into your Premier Cash ISA in that tax year, even if you've made a withdrawal from your account.
<b>Closing your ISA</b>	If you close your ISA, your money will not benefit from the tax advantages of ISAs in the future. You can only make deposits into one cash ISA in each tax year. If you have paid into your Premier Cash ISA in the tax year you close it, this means you won't be able to pay money into another cash ISA in the same tax year.
<b>Managing your ISA</b>	You can manage your savings by phone or post.

**The tax advantages of Post Office Money Cash ISAs depend on your individual circumstances and the tax treatment may change in the future.**

## Your key questions answered

### What is an ISA?

ISA stands for Individual Savings Account. ISAs were introduced by the Government to give people a tax-efficient way to save for the future. There are different types of ISA, for an up to date list of those available please visit <https://www.gov.uk/individual-savings-accounts/overview>

You can deposit up to the maximum annual ISA limit set each Tax Year (that's from 6 April to 5 April) subject to contributions in other types of ISAs. The annual ISA limit for the 2018/19 tax year is £20,000. For example, if you deposit half of this year's limit in a cash ISA with one provider, you can invest the other half into a stocks and shares ISA with the same or another ISA provider. You can only make deposits and/or invest in one of each type of ISA each tax year.

If you hold an ISA, you may be able to withdraw the cash from it and replace it within the same tax year you took it out without affecting your annual ISA allowance. This ability is only available with some ISA providers. If it's not a feature of an account you hold, any payment you make into that ISA will be treated as a payment for the current tax year (regardless of any withdrawals you may also have made during the same tax year). The Fixed Rate Cash ISA does not have flexible features.

The Fixed Rate Cash ISA could be right for you if you are a UK taxpayer aged 16 or over, and you would like to save a lump sum in a tax-free\* savings account where your money will earn a fixed rate of interest.

You should only consider the Fixed Rate Cash ISA if you will not need access to your money during the fixed rate term and do not want to make any additional deposits or ISA transfers into your account once it is open.

### Is the Fixed Rate Cash ISA right for me?

Some ISAs are flexible and allow you to make withdrawals and replace the money back into your account during the same tax year, without affecting your annual ISA allowance. Not all ISA providers offer this as a feature and this is not currently available on the Fixed Rate Cash ISA. If you decide to transfer an ISA with flexible features to the Fixed Rate Cash ISA, the flexible features will no longer apply. If you've made a withdrawal from the ISA you're transferring, and want to replace the money within the same tax year you made the withdrawal without affecting your annual ISA allowance, you'll need to do this before you transfer. You should consider this carefully when deciding whether this account is suitable to you.

Please remember the tax advantages depend on your individual circumstances and the tax treatment of ISAs may change in the future.

Neither we, nor Post Office Money, provide advice on this product. If you have any doubts about the suitability of this account, you should seek independent financial advice.

### Who can open the Fixed Rate Cash ISA?

To open the Fixed Rate Cash ISA you must be 16 or over and a UK resident for tax purposes. You cannot pay into more than one cash ISA in the same tax year. ISAs cannot be applied for in joint names.

**i** Please see the “Eligibility” section of the Terms and Conditions for more information on Eligibility.

## Your key questions answered

You can open the Fixed Rate Cash ISA with EITHER a deposit, or a transfer of another ISA you hold. If you would like to open an account with a deposit, you should complete a “Deposit Application Form”. If you would like to open an account with one or more transfers, you should complete a “Transfer Application Form” for each transfer you wish to make. For each application we receive, we will then open a separate account. One of each type of form is included in this pack. If you would like more Transfer Application Forms, please contact us.

Your deposit can be made by either:

- cheque;
- debit card; or,
- payment from your Post Office Money Easy Access Savings account.

### How can I open the Fixed Rate Cash ISA?

You can only make your deposit by debit card if you apply in a Post Office branch.

You must specify the method and amount of your deposit or transfer on the application form you complete. No subsequent deposits or transfers are allowed.

Only cheques drawn on a personal bank account (including Bankers drafts and Building Society cheques) are acceptable.

You can only save into one cash ISA with one provider each tax year. This means that any deposit you make to open your Fixed Rate Cash ISA will be the only amount that you can save in a cash ISA during the current tax year (as you cannot make additional deposits once your account is open).

Before making a decision to transfer an ISA to us, you should check if your current provider will charge a fee.

**See the “Opening your account” section of the Terms and Conditions for more information on opening your account.**

### When will my account open?

We will open your account when we accept your application and either:

- we receive and accept your deposit; or,
  - we request the transfer value for your existing ISA;
- whichever is earlier.

The fixed rate you receive will be the rate on offer for the term you select on the date your application is received or, if you apply at a Post Office branch, the date you hand your application in.

There may be delays in opening your ISA because we need to ask you for more information or proof of your identity. If this happens, we will let you know.

No interest will be paid until your ISA is open. If we are unable to open an account within 30 days of receiving your application, any deposits you have made will be returned without interest.

**See the “Proof of identity” section of the Terms and Conditions for more information on proof of identity and accepting your application.**

\* Tax-free means the interest paid will be free from UK Income Tax and Capital Gains Tax

## Your key questions answered

<b>How will I know how much my savings are worth?</b>	Every year we will send you a statement showing the balance of your ISA as of 31 December. You can also phone us on 0800 169 7500* for a current valuation.
<b>Are there any charges?</b>	We do not charge to set up a Fixed Rate Cash ISA. However, if you close or transfer the ISA within the fixed rate term a Breakage Charge will be applied. If you select a 1 year term or shorter, the Breakage Charge will equal 90 days loss of interest, or if you select longer than 1 year but shorter than 5 years, then 180 days loss of interest will be incurred. 5 years or more will incur 365 days loss of interest. This means that if you close or transfer your Fixed Rate Cash ISA in the fixed term, the amount returned to you, or sent to your new provider, could be less than you paid in. We may also charge a fee of £5 for cancelling and reissuing cheques, or issuing duplicate or additional statements. Charges may change in the future.
<b>Can I cancel my Fixed Rate Cash ISA?</b>	<p><b>i</b> Please see the “Charges and Taxes” section for more detail about the charges and changes to charges.</p> <p>Yes, you have 14 days from the day the account opens to cancel your Fixed Rate Cash ISA. If you make deposits directly to us by debit card, cheque or we receive a transfer cheque from another provider, we will initially pay this money into an account held with NatWest. We will then transfer this money to Bank of Ireland UK.

Please note that any money you hold in other accounts with NatWest will count towards compensation limits. You can find out more about how your money is protected when it's held in a bank or building society account by going to the "What we cover" section of the Financial Services Compensation Scheme (FSCS) website at [www.fscs.org.uk](http://www.fscs.org.uk)

You should also be aware that deposits made at a Post Office branch (including by cheque) will not initially be protected by the FSCS in the event of the failure of Post Office Limited, until that deposit is transferred by Post Office Limited to Bank of Ireland UK.

**For more information on how your money will be held, please see the 'Holding your money' section of the Terms and Conditions.**

Bank of Ireland (UK) plc also trades under Bank of Ireland UK, Post Office Money and AA Savings. This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

In some cases eligible deposits which are categorised as “temporary high balances” are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- a) Certain transactions relating to the depositor’s current or prospective only or main residence or dwelling;
- b) A death, or the depositor’s marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- c) The payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under <http://www.fscs.org.uk>

### **<sup>3</sup>Limit of protection for joint accounts**

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

### **<sup>4</sup>Reimbursement**

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100,

Email: [ICT@fscs.org.uk](mailto:ICT@fscs.org.uk). It will repay your eligible deposits (up to £85,000) within 20 working days until 31st December 2018; within 15 working days from 1st January 2019 until 31st December 2020; within 10 working days from 1st January 2021 to 31st December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under

<http://www.fscs.org.uk>

### Eligibility

In order to open and make payments into an account, you must be at least 16 years old. You must also be:

- A UK resident; or,
- A Crown employee serving overseas and paid out of public revenue of the UK; or,
- Married to (or in civil partnership with) a Crown employee serving overseas and who is paid out of public revenue of the UK.

You must tell us if these conditions no longer apply to you. And we will let you know as soon as possible if

the account has, or will, become void because of any failure to meet the regulations that we are aware of.

Your account must be in your sole name and all funds deposited in it must belong to you.

If you believe that you have broken the ISA Regulations (for example, by paying into two cash ISAs in the same tax year), you must phone the HMRC Savings helpline on 0300 200 3312 (call charges may apply – if you need further information you should contact your phone provider).

### Proof of identity

Before you can open an account, so we can comply with anti-money laundering legislation, we will need to verify your identity.

Where you are 18 or over, this will normally involve an electronic check through a credit reference agency. The electronic check will not affect your credit history, but it will leave a record of the search taking place. By signing the application form, you are agreeing for these checks to take place.

If we are unable to verify you by these means, or you are under 18 at the time of applying, we will require proof of your identity before opening your account. Additionally, if you are applying with a Power of Attorney, we will require that you send us proof of identity for both you and for the person you are applying for.

If we do not receive the proof that we've requested within 30 days of receiving your application, we will not proceed with opening the account. Any deposit already made will be returned without interest and sent to you within 4 working days of the end of the 30 day period.

For fraud prevention and so that we can comply with anti-money laundering legislation, we may also ask for identification to be provided at other times. If we do not receive adequate identification when we ask for it, we may, not be able to accept future deposits (for Premier Cash ISA), withhold the proceeds of any withdrawal, transfer or account closure until adequate identification is provided.

If you provide false or inaccurate information at any time and fraud is identified, details can be passed to fraud prevention agencies. We and other organisations may access and use this information to prevent fraud and money laundering.

Any cheques sent to you will always be made out in your name and sent to your verified address.

### Opening your Account

You can open an account with a deposit and/or by transferring another Cash or Stocks or Shares ISA you hold. You must specify the deposit and/or transfer you would like to use to open your account on your application form. Your initial deposit and/or transfer

must be for at least £100 if opening a Premier Cash ISA or £500 if opening a Fixed Rate Cash ISA.

Your initial deposit can be made by either:

- Cheque (we do not accept post-dated cheques or cash)
- debit card; or,
- payment from your Post Office Money Easy Access Savings Account

Only cheques drawn on a personal bank account (including Bankers drafts and Building Society cheques) are acceptable.

You can only make your deposit by debit card if you apply in a Post Office branch.

Deposits must be made with your money.

### Fixed Rate Cash ISA

No subsequent deposits or transfers are allowed. You will need to complete separate application forms if you wish to make a deposit and a transfer, or more than one transfer. You must select which fixed rate term you would like on your application form. Once selected, the fixed rate term cannot be changed. If you do not select a fixed rate term on your application form, we will open an account with a 1 year fixed rate term for you.

### Accepting your application

For both the Premier Cash ISA and Fixed Rate Cash ISA we will accept your application on the working day we receive it unless:

- your application is incomplete, and/or it is necessary to clarify information on the application.
- we need to ask you for proof of identity or other documents.

Your account will be opened when your application has been accepted and:

- for applications made with a deposit: the date we accept your deposit; or,
- for applications made with a transfer: the date we request the transfer value from your existing ISA manager.

If we need further information, identification or documentation from you and we do not receive this within 30 days of requesting it, we will not proceed with your application. Additionally, if you apply in a Post Office branch and we do not receive your application form within 30 days, we will be unable to open your account.

Any deposit you have made will be sent to you without interest within 4 working days of the end of the 30 day period.

There may be other circumstances when we will be unable to accept your application. If this happens, we will let you know.

We only accept post (including applications) and deposits on working days.

## Fixed Rate Cash ISA

The Fixed Rate Cash ISA, or any of the fixed rate terms currently on offer, may be withdrawn at any time. If either the account is withdrawn, or if the fixed rate term you have selected is withdrawn, then your application for a Fixed Rate Cash ISA will be rejected and any deposit made will be sent to you without interest once the deposit has cleared (see "Withdrawals and closing your account" for more details).

## Transfers In

Transfers can be made from one type of ISA to another, for example, between cash ISAs and stocks and shares ISAs, and between ISAs of the same type (e.g. cash to cash). We only accept transfers in from cash ISAs and stocks and shares ISAs.

If you are requesting to transfer deposits or investments made in the current tax year, these must be transferred in full (including any interest or growth on those deposits or investments).

If you transfer an ISA with flexible features to your Cash ISA, the flexible features will no longer apply. If you've made a withdrawal from the ISA you're transferring, and want to replace the money within the same tax year you made the withdrawal without affecting your annual ISA allowance, you'll need to do this before you transfer.

While your transfer is taking place, there could be a time where your funds do not earn interest or there is no potential for growth (e.g. if you are transferring a stocks and shares ISA and the value is sent between providers by cheque).

We do not accept 'in specie' transfers (i.e. transferring a stocks and shares ISA without converting the assets held within it to cash).

### Transfers from other providers:

If you are transferring an ISA held with another ISA provider, we will request the transfer value from your existing ISA manager within 3 working days of the day we accept your application (e.g. if we accept your application on a Tuesday, we will request the transfer value by the Friday).

### If you are transferring a cash ISA:

The transfer value will start to earn interest:

- from either the date on the transfer cheque, or the date the electronic transfer payment is sent to us by your old provider (depending on the method of transfer); or,
- on the 16th\* working day after we receive your application, as long as your application was subsequently accepted;

whichever is earlier.

\*If you have asked for your transfer to be delayed (for example, because you have a notice or fixed rate period on your existing ISA, and/or to avoid charges or loss of interest), the 16 working days will be extended to include the additional days needed for your instruction to be followed, and interest will be paid from this revised later date.

### If you are transferring a stocks and shares ISA:

The transfer value will start to earn interest from the working day we receive the transfer cheque and valid Transfer History Form from your old provider.

### Internal transfers:

If you have an existing ISA provided by us (OneFamily), you can request to transfer it to open your Cash ISA. An internal transfer will close your existing ISA and any existing Direct Debits will be cancelled.

If you are transferring an existing cash ISA, we will start the process of transferring your ISA and withdraw the money from it on the first working day after we have accepted your application or Transfer Instruction Form, or all relevant deposits have cleared, whichever is later. On the second working day after accepting your instruction, the transfer value will start earning interest in your Cash ISA. The existing cash ISA will be closed as soon as the money has been transferred.

If you are transferring an existing stocks and shares ISA, we will start the process of transferring your ISA on the first working day after we have accepted your application or Transfer Instruction Form. Your units or shares will be sold on the second working day after accepting your instruction, and on the third working day the transfer value will start earning interest in your Cash ISA. The existing stocks and shares ISA will be closed as soon as all the unit or shares have been sold and the money has been transferred.

You can ask us to close your existing ISA on a date later than that specified above. Any such date should be clearly stated in your application or Transfer Instruction Form.

## Premier Cash ISA

An account can be opened by transferring all or part of another ISA you hold. Transfers can also be made once your account is already open, as long as you have made at least one deposit (or a transfer containing current year's deposits) in every full tax year that you have held your account. A full tax year does not include the tax year in which you opened your Premier Cash ISA.

To open an account with a transfer, you must complete an application form. To request a transfer after your account is open, you must complete a Transfer Instruction Form. Both forms are available by contacting us.

## Fixed Rate Cash ISA

Your transfer can be a full or a partial transfer of another ISA you hold.

### Transfers from other providers:

If, after the fixed rate term has started, we receive additional transfer payments from your old provider, we will accept them whenever we can, but we may not always be able to do so. In these cases, where we are unable to return this money to your old provider, we will return it to you. If we return the money to you, it will no longer benefit from the tax advantages of ISAs.

## Deposits

### Premier Cash ISA

Once your Premier Cash ISA is open, deposits of £1 or more can be made (Direct Debit payments and debit card payments made over the phone must be for at least £10).

Any deposits you make into your Premier Cash ISA will count towards your annual ISA allowance, regardless of whether you've made a withdrawal from your account during the same tax year.

One-off deposits can be made by sending a cheque directly to us or over the telephone using a debit card payment. You can also transfer money directly from your Post Office Money Easy Access Savings account. We do not accept post-dated cheques.

You can make regular deposits of £10 or more by Direct Debit once your account is open. If your bank regularly declines Direct Debit payments, we may write to you to let you know that we will no longer accept this method of payment.

Deposits can also be made at a Post Office branch by debit card, cheque or up to £1,000 in cash. All deposits must be made with your own money. Direct Debits can only be set up using a UK personal bank or building society accounts on which you are solely or jointly named.

If you do not make a deposit into your account during a full tax year (or a transfer containing current year's deposits), you will not be able to make further deposits or transfers into your Premier Cash ISA in subsequent tax years. A full tax year does not include the tax year in which you opened your account.

## Fixed Rate Cash ISA

Fixed Rate Cash ISAs are single deposit accounts. You can't make additional deposits, so, if your initial deposit is less than the maximum you are allowed to pay in you will lose the rest of your cash ISA allowance for the tax year.

## Accepting Deposits

The following tables show when your deposit will be accepted and applied to your account. Your deposit will only start earning interest once it has been accepted by us.

Applications/ Deposits made at a Post Office branch	Day accepted
Cheque <sup>†</sup>	On the 3rd working day* after you have made your deposit in a Post Office branch*
Debit card	
Cash <sup>‡</sup>	

<sup>†</sup>Only cheques drawn on a personal bank account (including Bankers drafts and Building Society cheques) are acceptable.

<sup>‡</sup>Additional deposits only.

Applications/ Deposits sent by post or phone	Day accepted
Cheque	The working day we receive and date stamp your cheque*
Payment from your Post Office Money Easy Access Savings account	On the 4th working day* after we accept your instruction
Direct Debit	The day the Direct Debit payment is received
Debit Card Payment	The day your payment is authorised

\*These timescales include the day the deposit is made or the Post Office Money Easy Access Savings account payment instruction is accepted (e.g. if you make your deposit at a Post Office branch on a Monday then your deposit will be accepted on the Wednesday).

We only accept deposits on working days. The only exception to this is debit card payments made over the phone, which are also accepted on a Saturday.

We can only accept deposits once your account is open. If your account opens later than the dates in the tables above, then the date your account opened will be the date we accept your deposit and apply it to your Cash ISA.

If you're using a payment from your Post Office Money Easy Access Savings account to open your Cash ISA, we will accept your instruction to make the payment on the date your application is accepted. We are only able to accept your deposit if it contains enough information for us to identify your account. If we receive a deposit from you that would take you over

your ISA allowance, we will normally accept any amount up to your allowance and return the amount that exceeds it. However, there may be circumstances where we are unable to accept any of the deposit.

## Returning deposits

Sometimes we have to return a deposit or part of a deposit. If we have already accepted a deposit and need to return it to you, the deposit will not be returned until it has cleared (see “Withdrawals and closing your account” for more details). When a deposit has cleared and is ready to be returned, it will be sent to you within 4 working days.

If we are returning your deposit for one of the following reasons, we will return it to you without interest. We will only do this if:

- we've asked you for further information before being able to accept your application and you send us a deposit before we've received the information we've requested;
- by accepting your deposit, you'd be exceeding your annual ISA allowance (we will usually accept any amount up to your ISA allowance and return the amount that exceeds it after it has cleared, although on some occasions we will need to return the entire deposit). Please remember that if you have invested in any other type of ISA in the same tax year, this will reduce the amount you can deposit into your Cash ISA);
- we receive a deposit from you after a deadline we've set at the end of the tax year and we need to return it to you (see the “End of the tax year” section for further information on when we'll return your deposit);
- you send us a deposit which contains insufficient information for us to identify your account.
- we set a deadline for opening an account with a deposit at the end of the tax year and we receive your application or deposit after that deadline;
- you try to make more than one deposit into your Fixed Rate Cash ISA;

If you cancel your account, we will send your deposit back to you with any gross interest earned.

If a deposit or deposits are voided due to a failure in meeting the ISA regulations, and you are entitled to any interest earned on those deposits, any interest paid may be taxable. This will also apply if we close your account for any of the reasons given in a) to e) in the “Withdrawals and closing your account” section. In these circumstances where you hold a Fixed Rate Cash ISA you may also have to pay a Breakage Charge (see the “Charges and Taxes” section for more information).

## End of the tax year

If you apply for your Cash ISA towards the end of the

tax year, and it does not open within that tax year, your application will no longer be valid. In this circumstance, we will write to you.

At the end of the tax year, we may decide to accept post (including applications) and/or deposits on non-working days.

We may also decide to set one or more deadlines by which time all applications, information (including proof of identification) or deposits must be received by us (or handed in or paid at a Post Office branch). This is to make sure we have enough time to process them so that they can be accepted before the end of the tax year.

If we are unable to accept your application before the end of the tax year, you may not have enough time to apply and open another cash ISA during the same tax year. This could result in you losing any unused ISA allowance (e.g. if you've applied with a deposit and are unable to open another cash ISA before the end of the tax year, any subsequent application and deposit will count towards the next tax year's ISA allowance).

If we set a deadline for accepting deposits at the end of the tax year, and we receive a deposit from you before 6 April but after a deadline we've set, we'll contact you to ask you whether you'd like us to accept your deposit in the next tax year (if this is possible under the Regulations) or whether you'd like the deposit returned.

If we're able to accept your deposit in the following tax year, it will be accepted on the first working day of the new tax year. You will not receive any interest on your deposit until we accept the deposit and apply it to your account.

If you would like to make an application or deposit at the end of the tax year and would like information about the annual deadlines, please contact us.

If you send in an application for the next tax year towards the end of the previous tax year, we may keep your application and open your ISA in the new tax year. If we do this, your ISA will open on the first working day in the new tax year (as long as we have everything we need to accept your application and open your account). Any deposit you've made to open the account will not earn interest until the account opens and your deposit is accepted and applied to your Cash ISA.

## Cancellation

If you would like to cancel, you can do so within 14 days from the date your ISA opened by writing to us. When we receive your instruction to cancel, we will close your account.

For a Fixed Rate Cash ISA, you will not have to pay a Breakage Charge if you cancel your account within the 14-day cancellation period.

If you cancel, any returned deposit will not be regarded as having been paid into a cash ISA and will

not count towards your ISA allowance for the tax year. If you cancel, and any transfer you have requested has already taken place, you will have the following options:

- we can send you the proceeds; if this includes deposits you have made in the current tax year, this means you should not pay into another Cash ISA in this tax year
- you can transfer it back to the original ISA manager, if they choose to accept it
- you can transfer the proceeds to another ISA in the normal way. You will be able to do this regardless of whether the proceeds include deposits you have made in the current tax year, providing you ask your new ISA manager to request the funds from us.

If it is not clear in your cancellation request which option you would like to take, we will process your cancellation once we have obtained this additional information from you.

If you've made deposits into your Cash ISA, or you ask to have transfer proceeds sent to you, we will return these to you in full, together with any gross interest earned. These will be sent to you within 4 working days of your cancellation request being processed, or of the date any deposits have cleared, whichever is later (see the “Withdrawals and closing your account” section for more information). Your money will not earn interest after your account has been closed.

If you close your Cash ISA after the 14-day cancellation period, your money will no longer benefit from the tax advantages of ISAs.

For a Fixed Rate Cash ISA, you will have to pay a Breakage Charge if you close or transfer to another ISA within the fixed rate term.

## Charges and taxes

We may charge a fee of £5 for cancelling and reissuing cheques or issuing duplicate or additional statements.

We may introduce new charges or change our charges to reflect the cost in providing services to you.

If we reduce a charge, we will let you know about the change either before we provide the service to you, or as soon as possible after the change takes place. This will usually be included with your annual statement.

If we introduce a new charge or increase a charge, we will provide you with at least 30 days' notice before the change takes place. You will then have 30 days from the date of the notice to close or transfer your Cash ISA without charge or loss of interest.

If you choose to close your account, you money will no longer benefit from the tax advantages of ISAs.

For a list of current charges, please contact us.

Interest is free of UK Income Tax and Capital Gains Tax, except where an ISA or a deposit is voided due to a failure in meeting the ISA regulations, when the

interest could be subject to Income Tax.

There may be other costs and taxes that are not paid through us or imposed by us.

## Fixed Rate Cash ISA

For the Fixed Rate Cash ISA, a Breakage Charge will be applied if, before the end of the fixed rate term:

- you close or transfer your account;
- your account or deposit is voided;
- we have to close your account for any of the reasons detailed in a) to e) in the “Withdrawals and closing your account” section.

The Breakage Charge will equal:

- 90 days loss of interest for a fixed rate term of 1 year or shorter;
- 180 days loss of interest for a fixed rate term longer than 1 year but shorter than 5 years; or,
- 365 days loss of interest for a fixed rate term of 5 years or longer.

This will be deducted from any interest earned but if not enough interest has been earned, it will be deducted from the balance of your account. The Breakage Charge will be calculated assuming a 365 day year.

## Interest

### Premier Cash ISA

Interest is calculated daily at 1/365 of the annual interest rate.

Deposits made with a debit card over the phone will start earning interest 2 working days after your deposit is accepted (e.g. if the deposit is authorised and accepted on a Saturday, it will start earning interest on the Tuesday). All other deposits will start to earn interest from the day they are accepted.

**For more information on when deposits will be accepted, please see the “Accepting deposits” section.**

A variable interest rate will be paid. Bank of Ireland UK set the rate at which interest is paid. This variable interest rate will only be changed for one or more of the following reasons:

- to reflect changes to the Bank of England Base Rate;
- to reflect UK deposit market rates;
- to reflect any relevant changes in the law (including tax law), or the Rules and Regulations, or relevant industry guidance or codes of practice, or to respond to a decision or recommendation of any court, ombudsman or regulator where these changes, decisions or recommendations affect the interest rates that Bank of Ireland UK pay to depositors;
- to ensure that Bank of Ireland UK's business is sustainable in the long term;

- to reflect the rates being paid on other Bank of Ireland UK accounts to make sure that the variable interest rates paid reflect the features of those accounts (so that, for example, accounts with longer notice periods receive a higher rate of interest, other features being the same).

There may also be a bonus rate on offer when you apply. If a bonus rate is available, the rate applied to your account will be the advertised rate on the date your application is received or, if you apply at a Post Office branch, the date you hand your application in. The bonus rate on offer may change, or be withdrawn, at any time and the rate you receive will be confirmed to you in your welcome letter.

If a bonus rate is applied to your account, it will be paid for 12 months from the earlier of:

- the date the first deposit is accepted; or,
- the date the first transfer value starts to earn interest.

**For more information on when transfers start to earn interest, please see the “Transfers in” section.**

Details of current interest rates, including any available bonus rate, can be found in Post Office branches, online or you can contact us by phone.

Interest will be added to your account on 20th March each year.

You can ask to have your interest paid to you. To have interest payments paid to you, you must set up a Nominated Account.

Interest payments will normally appear in your Nominated Account within 4 working days of the day that interest is added to your ISA. Interest will only be sent to your Nominated Account when the interest payment is £10 or more.

If an interest payment sent to your Nominated Account is declined by your bank or building society, we will send that year’s payment to you by cheque. In this event, any further interest payments will be added to your ISA until you provide us with details of a new Nominated Account.

If an interest payment is sent to you by cheque and the cheque remains uncashed after 6 years, we may decide to pay any such money to a charity of our choice. You will still be able to claim this money from us at a later date.

## Fixed Rate Cash ISA

The fixed rate applied to your account is the advertised rate for the fixed rate term you select on the date your application is received or, if you apply at a Post Office branch, the date you hand your application in. The interest rate you receive will be confirmed in your Welcome Letter.

Current interest rates can be found in Post Office branches, online or you can contact us by phone. The

fixed rates on offer can change at any time. Interest is calculated daily at 1/365 of the annual interest rate.

Interest will be added to your account on the anniversary of the start date of your account each year and on the date the fixed rate term ends. You can ask to have your interest paid to you. To have interest payments paid to you, you must set up a Nominated Account.

Interest payments will normally appear in your Nominated Account within 4 working days of the day that interest is added to your ISA. Interest will only be sent to your Nominated Account when the interest payment is £10 or more.

If an interest payment sent to your Nominated Account is declined by your bank or building society, we will send that year’s payment to you by cheque. In this event, any further interest payments will be added to your ISA until you provide us with the details of a new Nominated Account.

If an interest payment is sent to you by cheque and the cheque remains uncashed after 6 years, we may decide to pay any such money to a charity of our choice. You will still be able to claim this money from us at a later date.

## During the fixed rate term

You will receive a fixed rate of interest which will be payable for the fixed rate term you select on your application form.

If you have opened your account with a deposit, your deposit will start to earn interest from the day the deposit is accepted.

**i For more information about when deposits will be accepted, please see the “Accepting deposits” section.**

## After the end of the fixed rate term

A variable interest rate will be paid. Bank of Ireland UK set the rate at which interest is paid. This variable interest rate will only be changed by them for one or more of the following reasons:

- to reflect changes to the Bank of England Base Rate;
- to reflect UK deposit market rates;
- to reflect any relevant changes in the law (including tax law), or the Rules and Regulations, or relevant industry guidance or codes of practice, or to respond to a decision or recommendation of any court, ombudsman or regulator where these changes, decisions or recommendations affect the interest rates that Bank of Ireland UK pay to depositors;
- to ensure that Bank of Ireland UK’s business is sustainable in the long term;
- to reflect the rates being paid on other Bank of Ireland UK accounts to make sure that the variable

interest rates paid reflect the features of those accounts (so that, for example, accounts with longer notice periods receive a higher rate of interest, other features being the same).

Interest will be added to your account on 20 March each year.

## Changes to the interest rate

If we are changing the interest rate in a way that is to your disadvantage, we will notify you personally up to 14 days before the change takes place. This will only apply where your account has a balance of £100 or more and up to 14 days before any fixed rate period on your Fixed Rate ISA is due to end, where your account has a balance of £500 or more.

When notifying you under the above conditions, we will also confirm the reason for the change, which will only be for one of the reasons listed in the “Interest” section.

We will also personally notify you up to 14 days before any bonus rate on your account is due to end, where your account has a balance of £100 or more. Information about interest rate changes, including details of current rates, is also available by

- visiting our website ([www.postofficemoney.co.uk](http://www.postofficemoney.co.uk));
- contacting customer services

## Communication

Every year, we will send you a statement detailing the year’s transactions and the balance as of 31 December, including interest accrued but not yet added to the account.

You can obtain an up-to-date value and details of any recent transactions by telephone or post.

## Transfers out

Your ISA can be transferred to another ISA.

**A Breakage Charge will be applied if you hold a Fixed Rate Cash ISA and it is within the fixed rate term. If you decide to transfer your ISA once the fixed rate term has ended, there is no charge.**

If you are transferring to another ISA provider, you will need to contact them to arrange the transfer. If you are internally transferring your ISA to a new or existing ISA provided by us (OneFamily), you will need to complete the relevant application or Transfer Instruction Form.

Transfers to another ISA must be made in full, and on transferring, your ISA will close. Partial transfers are not permitted.

If you decide to transfer the current year’s deposit you have paid into your ISA to another type of ISA, you will be regarded as not having made deposits into a cash ISA during the current tax year. We will begin the transfer process when we receive a valid

instruction from the new ISA manager, or a completed application or Transfer Instruction Form, if you are internally transferring to a new or existing ISA provided by us (OneFamily).

The money in your ISA will be withdrawn and your ISA closed by the working day after we receive the instruction. Any deposits received from this date will not be accepted, instead they will be refunded to you once they have cleared. If you have a Direct Debit set up, it will be cancelled.

You can ask us to withdraw the cash held within your ISA on a date later than that specified above. Any such date should be clearly stated in the instruction from your new ISA manager, or in your application or Transfer Instruction Form if you are requesting an internal transfer.

We will send you a final statement as of the date of transfer.

## Transfers to other providers:

The transfer amount will be sent to the new provider within 3 working days of:

- the day the account is closed; or,
- the day all relevant deposits have cleared; whichever is later.

## Internal transfers:

If you are internally transferring your ISA to a new or existing ISA provided by us (OneFamily), your transfer value will be applied as outlined in the Terms and Conditions of the account you’re transferring your ISA to.

## Withdrawals and closing your account

Post Office Cash ISAs do not have flexible features. This means that once withdrawn, your money will lose the tax advantages of ISAs and cannot be replaced within your ISA without affecting your annual ISA allowance. If you have already used your full allowance in a tax year, you will not be able to make further deposits into your Cash ISA in that tax year, even if you've made a withdrawal from your account.

For fraud prevention and so that we can comply with anti-money laundering legislation, we may decide that we cannot process a withdrawal or account closure over the telephone and limits may apply. For the same reasons, identification may be required before we can process withdrawals or account closures in writing. In these circumstances, you will need to provide us with identification before we are able to process your request.

Deposits made by debit card over the phone and electronic transfers will have cleared and be available for withdrawal (or transfer, account closure or on death) 1 working day after they have been accepted by us (e.g. if your deposit is accepted on a Monday, the proceeds will be available to you on the following working day).

Deposits made by personal cheque will have cleared and be available for withdrawal (or transfer, account closure or on death) 6 working days after they have been accepted (e.g. if your payment is accepted on a Monday, the proceeds will be available to you on the Tuesday after next).

Deposits made by Direct Debit will have cleared and be available for withdrawal (or transfer, account closure or on death) 4 working days after they have been accepted (e.g. if your payment is accepted on a Monday, the proceeds will be available to you on the following Friday).

Deposits made by transfer cheque will have cleared and be available for withdrawal (or transfer, account closure or on death) 2 working days after they have been accepted (e.g. if your payment is accepted on a Monday, the proceeds will be available to you on the following Wednesday).

If you make a withdrawal or close your account, your money will be withdrawn from your ISA as soon as:

- a valid verbal or written instruction is received; and,
- all relevant deposits have cleared.

Interest will be paid up to and including the date of withdrawal or closure.

Once we have received your instruction to withdraw money or close your account it cannot be cancelled or amended.

Any payments we send to you when you make a withdrawal or close your account will be sent within 4 working days of the day:

- your cash is withdrawn or your account is closed; or,
- we have received the necessary authorisation and/or any requested identification; whichever is later.

If you do not have a Nominated Account, all payments sent to you when you make a withdrawal or close your account will be sent by cheque.

If you have a Nominated Account, payments sent to you when you make a withdrawal or close your account will be sent to your Nominated Account, unless you tell us to send you a cheque in your instruction.

Any payments to your Nominated Account will be sent by "direct credit" and should normally appear within 3 working days of the day we send it.

If a withdrawal payment sent to your Nominated Account is declined by your bank or building society, we will send all future withdrawal payments to you by cheque until you provide us with the details of a new Nominated Account.

We will close your ISA:

- if you ask us to;
- on death;
- on a transfer to another ISA; or,
- if HMRC tell us to void your account.

We may close your ISA if:

- a) we reasonably suspect that you have given us false or incorrect information, which is material to our decision to accept your application for your account
- b) we reasonably suspect that your account is being used for illegal purposes
- c) you behave in an abusive, threatening or violent manner towards our staff
- d) you were not entitled to open your account
- e) we are required to do so by law or under the Rules or Regulations
- f) no deposits have been made for a full tax year and your account has a value of less than £1

If we close your ISA for the reason detailed in f) above, we will give you at least 30 days' notice.

## Premier Cash ISA

You can make a withdrawal or close your account by calling us or writing to us. Making a withdrawal or closing your Premier Cash ISA will not affect any applicable bonus rate of interest being applied to your account.

You can make a maximum of two withdrawals each tax year. If, having made two withdrawals in the current tax year, you need further access to your money, you will have to close your account or transfer it to another ISA.

The minimum withdrawal amount is £10, or the value of the ISA if it is lower. A regular withdrawal facility is not available and you cannot make withdrawals at a Post Office branch.

## Fixed Rate Cash ISA

You can make a withdrawal or close your account after the end of the fixed rate term by calling us or writing to us. You may request any number of withdrawals. The minimum withdrawal amount is £10, or the value of the ISA if it is lower. A regular withdrawal facility is not available and you cannot make withdrawals at a Post Office branch.

If you need to access your money before the end of the fixed rate term, you can only do this by closing your account and a Breakage Charge will be applied. You can do this by calling us or by writing to us.

If you've made a deposit to open your account, and close it during the same tax year you open it, you will not be able to make deposits into another cash ISA until the next tax year.

If we close your ISA for the reason detailed in a) to e) above, we may charge a Breakage Charge.

## Nominated Accounts

You can choose to set up a Nominated Account into which payments are made when you make a withdrawal or close your account.

If you have opted to have your interest payments sent to you each year, you must set up a Nominated Account in order for us to pay these to you.

You can set up a Nominated Account when you apply for your ISA or by writing to us with your bank or building society account details at a later date. We do not accept Nominated Account details by telephone.

If you set up a Nominated Account we will send any payment that you request by "direct credit". If you are unsure whether the account you want to nominate will accept this type of payment, please check with your bank or building society before nominating the account.

The account you nominate will need to be a UK personal bank or building society account in your name (sole or joint). For fraud prevention and so that we can comply with anti-money laundering legislation, we may check your Nominated Account to confirm that it is genuine and that it belongs to you. Until we obtain this confirmation, we may withhold any payment you have asked us to make to that account.

## Premier Cash ISA

If you set up a Direct Debit to make deposits into your ISA, those bank or building society account details will become your Nominated Account details. If you change the account from which we collect Direct Debits, your Nominated Account will change accordingly.

If you make a deposit by debit card over the phone, this will not affect your Nominated Account details. You can make a deposit by debit card from an account which is not your Nominated Account as long as the account is in your name.

The account you nominate will need to be a UK personal bank or building society account in your name (sole or joint). For fraud prevention and so that we can comply with anti-money laundering legislation, we may check your Nominated Account to confirm that it is genuine and that it belongs to you. Until we obtain this confirmation, we may withhold any payment you have asked us to make to that account.

## Death

On your death your account's tax benefits will continue, and will be referred to as 'administration period investments' held in a 'continuing account of a deceased investor' until the earlier of the:

- administration of the estate is finalised;
- account closure, or;
- three years after the date of death

and the value of your ISA will form part of your estate.

We will suspend the account on the working day we receive all the documents we have requested from your personal representative, including proof of the death. Any applicable Breakage Charges will be waived.

Any interest accrued after the date of death will be paid gross.

Payment will be sent within 4 working days of the day:

- the account is closed;
- any relevant deposit has cleared; whichever is later.

If on death you were married or in a registered civil partnership, your spouse or registered civil partner can benefit from an "additional permitted subscription" allowance. This allowance will entitle your spouse or registered civil partner to an additional amount that can be paid into ISAs, without affecting their own ISA allowance for the tax year.

Although we do not currently accept additional permitted subscriptions, the allowance can be transferred to another ISA provider. Normally this needs to be done within three years from the date of death. Further information is available on request.

## General Terms

### Security

You must make sure that the personal details we hold about you are kept up-to-date, and that arrangements for receiving mail at your verified address are secure. You must check any statement carefully and tell us promptly if you think it contains any errors. You must tell us promptly if you think we have made any other mistake in operating your account.

To help prevent fraud, you should take steps to keep your account information safe and secure. This should include:

- committing your account information to memory.
- if you set up security details on your account, choosing details that only you would know and that are different to other accounts or products that you hold.
- avoiding writing down or recording your account information or security details; if you do need to write this down you should do so in a way that will not be recognised by others.
- never allowing anyone else to use your account information or security details.
- never responding to an email asking for your account information or security details. We will never email you asking for this information, so if you do receive an email like this, it could be someone trying to steal your account information or security details by pretending to be us. This is known as 'phishing'.

You must tell us immediately if you know, believe or suspect that your account information or the security details we have recorded for you have been compromised, or if you believe that a withdrawal has been made from your account that you did not authorise.

If you act fraudulently or without reasonable care, you may be liable for any losses caused. This includes allowing others to use your security details or account information. We may decide that you have acted without reasonable care if you do not take steps to keep your account information or security details safe, as set out above.

## Instructions about your account

All instructions you send us in writing must be signed. We reserve the right to refuse any request or instruction about your account if we have reason to believe that:

- it was not made by you
- it might cause us to break the law
- your account is being used for illegal purposes

If you send us an instruction which contains unclear or insufficient information, we will contact you for clarification. We will not act on any instruction until we receive any additional information that we feel is necessary to make sure your instruction is processed correctly and in accordance with the Terms and Conditions of your account.

## Ownership

The account will be in your name only and this beneficial ownership cannot be changed. This means

that only you can own the funds held within your account. You cannot assign the account to a third party and you cannot use the account as security for a loan.

## Compensation

Compensation may be paid to the ISA or to individual ISA holders in response to an error we have made that has resulted in a financial loss whether or not the affected ISA holder has complained.

We will only pay, compensation where the financial loss incurred is calculated to be £1.00 or more at the time of the error.

Where compensation is by means of a cash payment (e.g. paid to you by cheque), no compensation would normally be paid unless the amount due is £5 or more. Wherever possible we attempt to calculate any compensation payments consistently in line with guidance provided by the Financial Ombudsman Service.

## Conflicts of Interest

We aim to run our business so that conflicts of interest do not arise. However, we have in place a Conflicts of Interest policy to help us identify and record any actual or potential conflicts that may arise between our customers, us, our employees, our funds, our associated companies and/or any companies to whom we delegate any of our functions.

A summary of this policy is detailed below:

- We will consider the interests of all our customers and treat them fairly.
- We have in place procedures to make sure that employees identify and report any new conflicts.
- We will keep a written record of any conflicts or potential conflicts.
- If appropriate, we will disclose any relevant conflict to a customer before undertaking business with that customer.
- We will carry out regular reviews to identify any new conflicts.

In the unlikely event that a conflict of interest occurs, we will manage it to make sure that all customers are treated consistently and fairly and to minimise any possible negative effect this could have on our customers.

Our full Conflicts of Interest policy is available on request.

## The ISA Manager

We, as the ISA Manager, reserve the right to appoint any person to advise on, or perform, any of the functions or responsibilities under these Terms and Conditions. We may provide details of your account to any such person when necessary so that they can carry out the delegated function or responsibility. We

will remain responsible for the operation of the ISA at all times and will make sure that any person to whom we delegate any of our functions or responsibilities is competent to carry them out.

We may resign or retire as ISA Manager. If we do this, we will transfer our functions and responsibilities as ISA Manager to another ISA manager who has been approved under the relevant Rules and Regulations. If this happens, we will provide you with at least 30 days' notice. Any new ISA manager replacing us will be responsible to you for carrying out all of our duties and obligations and we will be released from all of those duties and obligations.

## Your FCA categorisation and what this means

The Financial Conduct Authority (FCA), one of our regulators, requires us to categorise all our customers. We have categorised you as a "retail client". This means you will get the highest level of protection available within the Rules and guidance set out by the FCA.

Your right to refer complaints to the Financial Ombudsman Service or to claim compensation from the Financial Services Compensation Scheme (FSCS) is not determined by our categorisation.

## Corporate Governance

OneFamily is the trading name for a group of companies which includes Family Equity Plan Limited, your ISA Manager, and the friendly society (a type of mutual insurer), Family Assurance Friendly Society Limited (Family Assurance).

If your account was opened prior to 6th April 2018 you would have become a member of Family Assurance. For accounts opened on or after 6th April 2018 membership to Family Assurance did not apply. Family Assurance is committed to complying with the UK Corporate Governance Code as relevant to mutual insurers. The Code sets out good practice standards in terms of how a company is managed as well as the rights of its customers. Family Assurance's directors believe that it is important to listen to your views, and to consider them when making decisions about the business.

We encourage you to talk to us and take an active interest in the governance of Family Assurance. For more information, please go to the 'Member Relations' section of [www.onefamily.com](http://www.onefamily.com). You can also e-mail feedback to [members@onefamily.com](mailto:members@onefamily.com), or write to Member Relations Team, OneFamily, 16-17 West Street, Brighton, East Sussex, BN1 2RL. These contact details should not be used for enquiries about your ISA.

## Holding your money

We will hold your money as the nominee under a bare trust. This keeps your money segregated from our

funds to protect your money should OneFamily fail. This also provides protection for your money when it's held with Bank of Ireland UK and when, in some cases, it's briefly held with NatWest or RBS.

For further details about where your deposits will be held, please see the "Deposit Protection" section. This section also contains important information about making deposits in a Post Office branch.

Please note that you will only receive interest while money is within your ISA (e.g. you will not receive interest while you are waiting for your ISA to open). Please see the "Interest" section for details of when your money will start to earn interest.

## Liability

If, having made reasonable attempts to do so, we cannot provide services because of something beyond our control (including strikes, industrial action, or the failure of equipment or power supplies), we will not be liable to you for any loss that you may suffer as a direct result.

We have no liability for any action we have taken, or not taken, in good faith unless there has been negligence by us. This does not restrict or exclude any liability that we may have by law or under the Rules or Regulations.

## Important Information

These Terms and Conditions, together with the terms outlined in the Key Features, and the application, form the Agreement between you and us.

We will operate your account in accordance with the Agreement, the Rules and Regulations, PRA, FCA and HMRC guidance as applicable to ISAs. In the event that any of the terms or conditions outlined in the Agreement conflict with the Rules and/or Regulations, the Rules and/or Regulations will prevail.

The information in the Key Features and Terms and Conditions is based on our understanding of current law (including tax law), the Rules, the Regulations, PRA, FCA and HMRC guidance. These could change in the future and could affect the benefits enjoyed by this account.

The law of England and Wales will apply to your account and this Agreement, which is written in English. All communications with you will be in English except for certain marketing communications available in Post Office branches based in Wales, which will also be available in Welsh. All financial transactions will be in pounds sterling.

## Changes to the Agreement

We can make a change to the Agreement but only for one or more of the following reasons:

- a) to make it easier to understand, fairer or to correct mistakes;

- b) to improve the service to you or make it more efficient or cost-effective;
- c) to enable us to comply with the law (including tax law), or the Rules and Regulations, or to relevant industry guidance or codes of practice, or to respond to a decision or recommendation of any court, ombudsman or regulator; or,
- d) to enable us to make reasonable changes to the way we manage your account as a result of changes in technology or in the systems we use.

If we make a change for the reason detailed in c) or if we make a change that is not to your disadvantage, we may make the change without giving you any prior notice.

If we make any other type of change to the Agreement, which is to your disadvantage, we will notify you at least 30 days before we make the change to give you an opportunity to respond. You will then be able to transfer or close your account without charge or loss of interest for up to 60 days from the date of the notice.

We will not make any changes which might break the Rules and/or Regulations for ISAs.

**ⓘ Please note that this “Changes to the Agreement” section does not apply to changes to variable rates of interest or to charges. Please see the “Interest” and “Charges and taxes” sections for details of how variable interest rates and charges can be changed.**
