The Post Office Travel Money Family Ski Resort Report was compiled using prices for one week (six active days) in 25 European resorts that are suitable for a range of skiing levels. These were provided by Crystal Ski Holidays ([www.crystalski.co.uk](http://www.crystalski.co.uk)), the UK's leading ski holiday specialist. Costs are based on low/mid-season pricing and entry level skis and boots. Ski school daily hours vary depending on the resort. Lunch prices are based on two courses (main course and dessert) excluding drinks. All prices are based on the Post Office exchange rates on 3 October 2019 and are rounded up or down to the nearest whole number.
