4 Using Your Card

- 4.1 Your Verified Account Card can be used at any Merchant that displays the Mastercard Acceptance Mark. The Card issued is intended for use in countries where the national currency is the same as one of the currencies supported by the Card and these terms and conditions are entered into on this basis.
- 4.2 You can authorise Transactions on your Card at any Merchant by entering your PIN. If the Merchant does not accept chip and PIN authorisations they may allow you to authorise the Transaction by signing the receipt.

If the transaction value is below the maximum limit for the country you are in you can authorise the transaction using the contactless functionality of the card. You will be responsible for all Transactions authorised by you regardless of the manner of such authorisation.

- 4.3 Your Card can be used to make withdrawals at cash machines bearing the Mastercard Acceptance Mark or at branches of the UK Post Office (fees & limits apply, see Section 11). Please note that extra cash machine fees in addition to those shown in Section 11 may be charged by certain cash machine providers.
- 4.4 Your Card is a prepaid card, which means that the Available Balance on the Card will be reduced by the full amount of each Transaction plus any applicable charges. You must not use your Card after the expiry date (see Section 6.1), or when a transaction amount (including applicable charges) exceeds the Available Balance. If, for any reason, a Transaction is processed for an amount greater than the Available Balance on your Wallet, you must repay us the amount by which the Transaction exceeds your Available Balance within 14 days of us contacting you. Should you not repay this amount within this period we reserve the right to take all steps necessary, including legal action, to recover any monies outstanding.
- 4.5 There are a number of transactions that we recommend you do not carry out using your Travel Money Card.
 - 4.5.1 Toll roads – Many unmanned toll roads will not accept prepaid cards as they are unable to authorise the payment immediately.
 - 4.5.2 Self-service petrol pumps – Most self-service pumps are unable to authorise a transaction immediately so will decline payment from the Travel Money Card. You can however make payment with a cashier.
 - 4.5.3 Car Hire or Hotel check in deposits – Car hire companies and hotels often take large initial deposits from your card. This may prevent you spending what you have loaded.
 - 4.5.4 Cruise ships or on-board aeroplanes – Transactions cannot be authorised immediately on board cruise ships or aeroplanes so are usually declined.

- 4.5.5 Internet Merchants – Certain internet Merchant sites will, on registration or at checkout stage, send a request for payment authorisation to verify if funds are available. This will temporarily impact your Available Balance. Also please bear in mind that many sites won't deduct payment until goods are dispatched so please be aware of this when checking your balance.
- 4.5.6 Merchants may not be able to authorise your Transaction if they can't obtain an online authorisation from us.
- 4.6 You can check your balance and Transaction history for free by visiting the Website or by using the mobile app on a smartphone or other device.
- 4.7 You should check the details of your Transactions regularly. If your Transaction history includes any item which seems to be wrong, please notify us as soon as possible. Unless you tell us there is an unauthorised Transaction as soon as you become aware of it (and in any event no later than 13 months from the date the Transaction was debited to your Card), you will not be able to claim a refund.
- 4.8 If you authorise a Transaction and we consider that all of the conditions set out below apply, we will refund the full amount of the payment.
- 4.8.1 if you did not know the exact amount of the payment when you gave your authority; and
- 4.8.2 the amount charged exceeds the amount you could have reasonably expected to pay taking into consideration your previous spending pattern, these Terms and Conditions and the circumstances of the Transaction (excluding exchange rate fluctuations); and
- 4.8.3 if you have requested a refund within eight (8) weeks of the date the funds were debited. No refund will be made if you have given us your consent for the payment to be made and, where applicable, details of the payment are made available.
- 4.9 If we do not refund the full amount we will provide you with our reasons for refusal, or request that you provide such additional information as is reasonably necessary to verify that the above conditions apply. We will do this within ten (10) Business Days of receiving your request.
- 4.10 The Available Balance in your Account will not earn any interest.
- 4.11 If, at any time, your account is suspended or we end the Agreement between us under the terms of Section 15 we may ask you to surrender the Card. If we do so we may give you back your e-money in accordance with Section 7 of these Terms and Conditions.

5 Topping-up your Verified Account

- 5.1 You may load funds up to the limits shown in Section 11.
- 5.2 You can top-up your Card through any of the following channels. All payments must be made in Pounds Sterling:

 - 5.2.2 Website – You can load using credit card or debit card. Fees may apply and will be shown on the Website.

- 5.3 We reserve the right to suspend or terminate or otherwise restrict the right to top up your Account where we reasonably consider it necessary to protect the security of your Account or because we suspect that there may be unauthorised or fraudulent use of the Account. We will notify you of suspension or termination at the earliest available opportunity unless we are prohibited to do so by law. If we learn that the Card or Account has been fraudulently acquired or used we reserve the right to share all information with relevant parties and authorities.

6 Card Expiry

- 6.1 The expiry date of your Card is printed on the front of the Card. You will not be able to use your Card if it has expired. We reserve the right to reissue new Cards to Cardholders whose Cards have expired.
- 6.2 If, after expiry of your current card, you do not receive a new Card from us and you would like to apply for a new Card, please contact Customer Services.
- 6.3 If your Card is renewed, you will be issued with a new Card for the purpose of enabling you to continue to access the e-money held in the Account previously linked to your expired Card. When your card has expired and no replacement card has been issued your account will be closed. If an Available Balance remains on the Card and it is not redeemed within 12 months a monthly maintenance fee will be payable on each Card until there is no Available Balance remaining, Fees are displayed in Section 11.1. Any outstanding Available Balance in an Account / Card will remain yours to redeem at any time in accordance with the provisions of Section 7.
- 6.4 When your Account has been closed for any other reason the arrangements in Section 6.3 will also apply.

7 Redeeming E-Money

Your Travel Money Card can be used across the world including the UK. You can spend any outstanding balance in the UK or withdraw it over the counter from any UK Post Office branch or ATM (fees will apply, see Section 11). Wallet to Wallet transfer exchange rates will apply to move the funds in to your Pounds Sterling Wallet. These rates can be found on our website.

- 7.1 If you would like to redeem any unused e-money held in your Account in full or in part you may do so at any time (subject to Section 7.5) so long as:
 - 7.1.1 we believe you have not acted fraudulently, and
 - 7.1.2 we are not prohibited from doing so by any applicable law, regulation, court order or instruction or guidance of a competent regulatory authority or agency.
- 7.2 You can redeem any unused funds by contacting Customer Services. A redemption fee as set out in Section 11 will be payable. You acknowledge that all redemptions will be made to you in Pounds Sterling regardless of the currency is loaded on to your Card. The exchange rate will be advised to you at the time that you are requesting the redemption. Payment will be made after any pending transactions have been charged to your Account and you agree that the transaction will be made by us up to 12 Business Days after the date of your request. You may cancel your request at any time until it is processed by us. Refunds will be returned to you in cash or by cheque. Restrictions apply with cash redemptions that will be advised to you at the time of requesting the redemption.
- 7.3 When you return from your travel you will obtain a more favourable exchange rate and avoid redemption fees by withdrawing remaining funds from your card in cash at a Post Office Branch.
- 7.4 Please note that our procedures may require us to carry out various checks reasonably required to prevent fraudulent use of your Card before we can process your redemption request. Redeemed funds will only be payable to you as the Cardholder and will not be paid to a third party.
- 7.5 You will lose your right to redeem your e-money held in your Account if you make your request for redemption more than 6 years from the date your Account is closed.

Should you not repay this amount within 14 Business Days of receiving an invoice from us we reserve the right to take all steps necessary, including legal action, to recover any monies outstanding.

12 Disputes, refunds and Liability for unauthorised Transactions

- 12.1 If you notice a Transaction that you do not recognise, you must notify Customer Services without undue delay, and in any event no later than thirteen (13) months after the date of the Transaction. We recommend that you check your Transaction history and balance at least once a month. We will refund any unauthorised transaction immediately, unless we have good reason to believe (based on the evidence available to us at the time you report the unauthorised Transaction) that you have been grossly negligent in failing to comply with Section 3 or that you have acted fraudulently.
- 12.2 If we make a refund in accordance with Section 12.1, and we then subsequently discover that you were not entitled to a refund, we will debit the amount of the refund from your Account.
- 12.3 Further to Section 12.1, if we do not make an immediate refund and you still wish to dispute the Transaction as unauthorised, we reserve the right to request additional written information from you, including but not limited to, a statement signed by you providing evidence to support your claim that the disputed Transaction was unauthorised. Failure on your part to provide the information requested may delay or prevent the refund to your account. This process can take up to 45 days from the time the information is received and your claim is processed.
- 12.4 If you make a deposit into your Account and then authorise a payment or withdrawal of those funds, you agree that you will not commence a chargeback (chargeback is the process initiated by a customer whereby we, at the customer's request, seek the return 'chargeback' of customers funds from a merchant.) cancel or reverse the payment method used to make that deposit unless an unauthorised transaction has occurred. In this instance, we may ask you to provide documentation to support your chargeback, cancellation or reversal.
- 12.5 We accept no responsibility for goods or services you purchase using your Card. All such disputes must be addressed directly with the Merchant providing the relevant goods or services. Once you have used your card to make a purchase, we are unable to stop the Transaction.
